

# THE PORT HOUSE

TAPAS • PORT • WINE • SHERRY

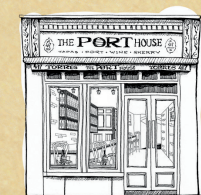

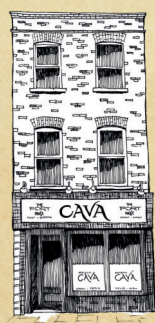

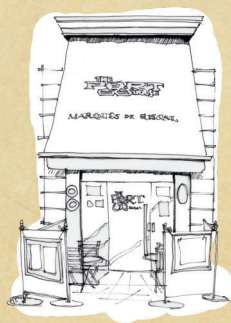

Opened first in 2006 we realised we had something special in our little cave on South William Street in Dublin 2! Twelve months later, we opened another little cave in Temple Bar and our third in a cottage in Dundrum Town Centre's Pembroke District.

After three successful restaurants and seven years of hard work and saving our pocket money, we decided we were grown up enough to hit London in search of fame and fortune down the West End of Covent Garden, where we hope to get a small bit part alongside Jude Law!

In 2019, we were delighted to announce that we opened our fifth location in Camden Street, Dublin 2, an incredibly diverse area that gives us the opportunity to present our tapas, ports and wines with a focus on Cava that does not receive the attention it deserves.
